Agua Caliente Band of Cahuilla Indians
Insurance Requirements
2026

The following are the requirements for Vendor insurance coverages:

General Liability Coverages:

Vendor, at the Vendor's sole expense shall obtain and pay for, and at all times maintain in full force and effect a One Million Dollar ($1,000,000) combined single limit per occurrence, and a One Million Dollar ($1,000,000) combined single limit aggregate per project, Commercial General Liability policy. Such policy shall insure against any and all losses arising out of, or in connection with the operations of the vendor. Such coverage shall also provide products and completed operations coverage.

Automobile Liability Insurance:

Vendor, at the Vendor's sole expense shall obtain and pay for, and at all times maintain in full force and effect a One Million Dollar ($1,000,000) combined single limit per occurrence automobile liability policy. Such policy shall include coverage for non-owned and hired car coverage.

Worker's Compensation:

Vendor, at the Vendor's sole expense shall obtain and pay for, and at all times maintain in full force and effect a worker's compensation policy in the statutory amount. Such coverage shall provide employer's liability of at least One Million Dollars ($1,000,000), and include a waiver of subrogation in favor of the Tribe.

Vendors are required to follow California worker's compensation laws. If the nature of the event requires the people who are working with the Vendor to be at a designated location, at a designated time to perform a designated function, these circumstances make them employees (not independent contractors), and they must therefore be covered by worker's compensation insurance.
